Accounting and Reporting Manager

Maersk Container Industry A/S (MCI), a part of A.P. Moller-Maersk Group, is a global company manufacturing world-class transportation equipment solution to a global customer base. MCI is headquartered in Denmark with offices in Tinglev and Copenhagen, while production facilities are situated in China. The MCI Group at present employs around 2200 employees globally. MCI offers three unique products: dry containers, reefer containers and Star Cool reefer machines. The products are sold to customers all over the world. MCI has established their business over a relatively brief period of time and is today considered to be one of the most significant players within the industry in general, and within reefer containers and reefer machines in particular.

Maersk Container Industry is looking for an Accounting and Reporting Manager to be responsible for our Accounting team in Tinglev. If you are experienced or have knowledge within Accounting, Financial reporting or Auditing then this might be the opportunity for you.

You can learn more on www.mcicontainers.com

Are you a strong leader and can you deliver quality and timely reports, while being the key contact point to internal and external stakeholders?

We offer

You will be joining a company that is a world leader in reefer technology and makes a positive contribution towards meeting global environmental and energy reduction challenges. We offer an exciting career with a gateway to A.P. Møller Maersk, with benefits aligned to meet global standards while enjoying a friendly local work environment in Tinglev.

A unique opportunity to develop your accounting, reporting, financial and ERP skills as we on a journey away from the current system towards a modern cloud-based platform.

You will have a broad interface across the organisation as the work requires close cooperation with the technical department, our sales organisation, spare parts and logistics as well as other HQ functions in Copenhagen and Tinglev. This means that you will quickly expand your international professional network across functions, borders and businesses.

You will head up a small team with management responsibility for a team of 3 while we empower you with the tools as a manager. You will work closely with the CFO while taking on significant responsibilities.

Furthermore, we offer:

- An informal work environment where fun and humour are a big part of the daily work in the team.
- A dynamic environment where you are encouraged and allowed to take responsibility of your day-to-day operational tasks
- The possibility to build a solid foundation for a future career across Maersk.

Key Responsibilities

As our Accounting and Reporting Manager you will be leading a dedicated and experienced team in Tinglev. You and your team will be your responsible for high quality, compliant and timely reporting. You will furthermore support and interact with internal and external stakeholders across the offices among Copenhagen, Tinglev and Qingdao, China.

You will become a key contact for other functions in Denmark, auditors as well as Maersk Accounting in Esplanaden, CPH.

Your key responsibilities are:

- Provide clear, updated and relevant management information
- Timely book-closure within D365 and financial reporting in One Stream and TM1 (MCI's consolidation tools)
- Drive commonality and efficiency
- Managing day-to-day accounting and invoicing process
- Ensure delivery of Finance objectives
- Lead and develop team of highly skilled teammates and develop people in their role
- Engage with CFO.

Who we are looking for

You hold a Diploma / Master's degree in Finance/Accounting or Auditing and have 5 years' relevant experience from a finance/audit firm, a production company or similar, preferably from an international company. You have some experience of working with the Dynamics 365 ERP system MCI is using.

Not only are you a structured and detail-oriented person with strong analytical skills, but you are also an experienced and confident people manager. You are used to working independently and have a business- oriented mindset.

To work in our team, you enjoy working flexibly and in a fast- paced environment, you have the drive to succeed in a highly competitive industry and have the ability to positively influence your team as the leader. As you will be part of a global organisation it is prerequisite that you are fluent in both written and verbal English.

You think proactively and are naturally result-oriented to secure they are properly completed. You are self-motivated, self-disciplined and able to operate with minimal supervision. To apply for this position you must hold a valid Danish work and residence permit.

If this sounds like the sort of role you could make your own and stamp your personality on, while interacting positively with colleagues and customers from all backgrounds, we would be delighted to hear from you.
